GENEALOGY OF THE FAMILY OF EPHRIAM KNIGHT

EPHRIAM KNIGHT (1)

Very little is known about Ephriam Knight at this time except that he was of Scotch Irish descent. There is supposed to have been three brothers settled near Baltimore, Maryland early in the history of this country. They entered into the mercantile business, import and export, but fell out among themselves. One went to Pennsylvania, one stayed in Baltimore and Ephriam (1) to Stafford County Virginia, where he died. Any Knights who trace to Stafford County Virginia are presumed to be related as he was the only known Knight in that County. At some time the name is known to have been MacKnight from the MacNaughten Clan of Scotland.
